1 GENERAL

- 1.1 The Software (including any Boot ROM code and Documentation, and whether on disc, in read only memory, on any other media or in any other form) is licenced, not sold, to you by us for use only under the terms of this Licence. We reserve all rights not expressly granted to you. The terms of this Licence will govern any software updates or upgrades provided by us that replace and/or supplement the original Software, unless such update or upgrade is accompanied by a separate licence in which case the terms of that licence will apply that update or upgrade. Updates and upgrades are made available to you at our sole discretion from time to time and exclude any software marketed and licenced by us as a new version or release of the Software.
- 1.2 Unless stated otherwise, Software includes that software which is captive in, or otherwise supplied with, the Products including the Allen & Heath applications running on the MPC852T processors (distributed as iDRLiveStageBox.bin and iLive.bin), the Allen & Heath Java application running on a single board computer, the Allen & Heath H8 firmware for controlling motor fader sub-system and the Allen & Heath PIC firmware for PWM LED brightness control.
- 1.3 The Products are also supplied with elements of third party software which is separate to our Software and is supplied subject to the terms of the GNU General Public Licence (GPL) or the GNU Library/Lesser General Public Licence (LGPL), as the case may be. Subject to clause 14 and the terms of the relevant GPL or LGPL you may modify or replace these items of software. We are not obliged to provide any warranty, maintenance, technical or other support for such software or any modified form of it. Your attention is drawn to section 14 below.

2 GRANT AND SCOPE OF LICENCE

- 2.1 In consideration of your agreeing to abide by the terms in this agreement, we hereby grant to you a non-exclusive, non-transferable licence to use the Software and the Documentation on the terms of this Licence for use only on the Products.
- 2.2 You may:
 - 2.2.1 download, install and use the Software for your private or internal business purposes only, either (as agreed between the parties):

- (a) if the Licence is a single-user licence or the Software is for single use, on one Product system; or
 - (b) if the Licence is a multi-user or network licence, for the number of concurrent users agreed between you and us;
- 2.2.2 make up to one copy of the Software for back-up purposes only;
- 2.2.3 receive and use any free supplementary software code or update of the Software incorporating "patches" and corrections of errors as we may provide to you from time to time; and
- 2.2.4 use any Documentation in support of your permitted use of the Software.

3 **LICENSEE'S UNDERTAKINGS**

- 3.1 Except as expressly set out in this Licence or as permitted by any local law, you undertake:
- 3.1.1 not to copy the Software or Documentation except where such copying is incidental to normal use of the Software or where it is necessary for the purpose of back-up or operational security;
 - 3.1.2 not to translate, merge, adapt, vary or modify the Software or Documentation, assign the benefit or burden of this Licence in whole or in part, or to allow the Software to become the subject of a charge, lien or encumbrance;
 - 3.1.3 not to make alterations to, or modifications of, the whole or any part of the Software nor permit the Software or any part of it to be combined with, or become incorporated in, any other programs, unless authorised by us in writing;
 - 3.1.4 not to disassemble, decompile, reverse engineer or create derivative works based on the whole, or any part, of the Software nor attempt to do any such things except to the extent that (by virtue of section 296A of the Copyright, Designs and Patents Act 1988) such actions cannot be prohibited because they are essential for the purpose of achieving inter-operability of the Software with another software program, and provided that the information obtained by you during such activities:
 - (a) is used only for the purpose of achieving inter-operability of the Software with another software program; and
 - (b) is not unnecessarily disclosed or communicated to any third party without our prior written consent; and
 - (c) is not used to create any software which is substantially similar to the Software;
 - 3.1.5 not to permit the Software to be accessed through an electronic network beyond your normal place of business;
 - 3.1.6 to keep all copies of the Software secure and to maintain accurate and up-to-date records of the number and locations of all copies of the Software;
 - 3.1.7 to supervise and control use of the Software and ensure that your employees, representatives and customers use the Software in accordance with the terms of this Licence; and
 - 3.1.8 to include our and our licensors' copyright notices on all entire and partial copies you make of the Software or any third party software we supply on any medium.
- 3.2 You must permit us and our representatives, at all reasonable times and on reasonable advance notice, to inspect and have access to any premises at which the Software or the Documentation

is being kept or used, to the Products and other relevant computer equipment located there, and to any records kept pursuant to this Licence, for the purpose of ensuring that you are complying with the terms of this Licence.

4 INTELLECTUAL PROPERTY RIGHTS

- 4.1 You acknowledge that all intellectual property rights in the Software and the Documentation throughout the world belong to us and our licensors, that rights in the Software are licensed (not sold) to you, and that you have no rights in, or to, the Software or the Documentation other than the right to use them in accordance with the terms of this Licence.
- 4.2 Save as expressly stated in this Licence you acknowledge that you have no right to have access to the Software in source code form or in unlocked coding or with comments.

5 WARRANTY

- 5.1 We warrant that:
 - 5.1.1 where the Software is supplied on a particular medium, the medium on which the Software is stored and distributed is at the time it is supplied, and will be for the period of 90 days thereafter (**Warranty Period**), free from defects in design, material and workmanship under normal use. If a defect in the medium occurs during the Warranty Period, the Licensor will replace it free of charge if you return it to us with proof of purchase and (so far as you are able) a documented example of such defect or error; and
 - 5.1.2 during the Warranty Period, the Software will, when properly used, perform substantially in accordance with the functions described in the Documentation, and the Documentation correctly describes the operation of the Software in all material respects.
- 5.2 You acknowledge that the Software has not been developed to meet your individual requirements and that it is therefore your responsibility to ensure that the facilities and functions of the Software as described in the Documentation meet your requirements.
- 5.3 You acknowledge that the Software may not be free of errors or bugs and you agree that the existence of any minor errors shall not constitute a breach of this Licence.
- 5.4 If, within the Warranty Period, you notify us in writing of any defect or fault in the Software in consequence of which it fails to perform substantially in accordance with the Documentation, and such defect or fault does not result from you having amended the Software or used it in contravention of the terms of this Licence, we will, at our sole option, repair or replace the Software, provided that you make available all the information that may be necessary to assist us in resolving the defect or fault, including sufficient information to enable the Licensor to recreate the defect or fault.

- 11.1 If we fail, at any time during the term of this Licence, to insist upon strict performance of any of your obligations under this Licence, or if we fail to exercise any of the rights or remedies to which we are entitled under this Licence, this shall not constitute a waiver of such rights or remedies and shall not relieve you from compliance with such obligations.
- 11.2 A waiver by us of any default shall not constitute a waiver of any subsequent default.
- 11.3 No waiver by us of any of these terms and conditions shall be effective unless it is expressly stated to be a waiver and is communicated to you in writing.

12 **SEVERABILITY**

If any of the terms of this Licence are determined by any competent authority to be invalid, unlawful or unenforceable to any extent, such term, condition or provision will to that extent be severed from the remaining terms, conditions and provisions which will continue to be valid to the fullest extent permitted by law.

13 **ENTIRE AGREEMENT**

- 13.1 This Licence and any document expressly referred to in it represents the entire agreement between us in relation to the licensing of the Software and Documentation and supersedes any prior agreement, understanding or arrangement between us, whether oral or in writing.

- 13.3 Neither of us shall have any remedy in respect of any untrue statement made by the other, whether orally or in writing, prior to the date we entered into this Licence (unless such untrue statement was made fraudulently) and the other party's only remedy shall be for breach of contract as provided in these terms and conditions.
